

Western Municipal Water District and the University of California
Cooperative Extension (UCCE) Riverside County Master Gardener Program's
free fall workshops start in September!

**Detoxifying your
Home with Houseplants**

**Saturday, September 8
10 – 11 a.m.**

presented by **Jean Weiss**, UCCE Master Gardener. Not only are houseplants an excellent way to spruce up your home with a little well-placed piece of nature, they are also known to have incredible air-purifying qualities!

**Planting to Preserve:
Grow a Garden to
Eat from Year Round!**

**Saturday, October 13
10 – 11 a.m.**

presented by **Laura Simpson**, UCCE Master Gardener and Master Food Preserver.

**Natives:
Calendar of Care**

**Saturday, November 10
10 – 11 a.m.**

presented by **Su Kraus**,
Moosa Creek Nursery.

Join us at:

Western Municipal Water District
**14205 Meridian Parkway
Riverside, CA 92518**
